Solidworks electrical 2013 dll's download. SolidWorks Electrical 2013 SP10 X86 X64. Solidworks Electrical 2013 SP10 The case of the version you're using for your 32-bit operating system is probably different from the one you have for the 64-bit one. The problem is that you are 32-bit and your machine is detecting that the program has to be 32-bit also in order to start but you are running a 64-bit version which has problems with that. It could be because you are trying to install SolidWorks Electrical for a machine that was not installed with your operating system. SolidWorks Electrical 2013 SP10.iso. SolidWorks Electrical 2013 SP10 DVD iso. Please I need it. I've got the.iso version of Solidworks electrical 2013 but I can't find the sp10 one. If you can help please please please.
