There were 538 new cases of sexual assault and 13,066 incidents of indecency by seven accused against minors. The Sexual Harassment at Workplace Act was announced in December 2012, to protect the rights of women and men at work. It requires businesses with more than 250 employees to have a grievance resolution process, as well as a procedure for lodging complaints. What is a Good Relationship? Relationships make us happy. (...) An assessment of research reveals that people in long-term relationships are happier, physically and emotionally, than those in short-term relationships." (...) If a partner is doing something (...) that seems a little strange, then it may be to do with it that he or she is happier with you than with anyone else. (...) We all like to feel that we are important to someone (...) Our 'Life in the Partnering' study showed that married and cohabiting couples, as well as people in long-term relationships in general, are happier than those who have had a relationship break up in the past. Research findings confirm that the best time to be with someone is in a long-term relationship. The correlation between a man's number of sexual partners and his relationship satisfaction is still a matter of debate. "What it means is that certain people who are extremely relationship-focused may seek out a large number of sexual partners, and not be in a relationship that is very much about relationship satisfaction," says a spokesperson from the UK's Office of National Statistics. (...) (...) Studies have shown that people who have better relationships are less likely to engage in risky sexual practices, report that they feel a responsibility to protect their partners, and have greater commitment to their relationships.
